

International Conference on Computer-Aided Design

Opening Session/Award Presentations

Monday, November 6, 2006 • 9:00 am Pine/Fir Ballroom

Opening Remarks

Soha Hassoun - General Chair, Tufts Univ., Medford, MA

Georges Gielen - Program Chair, Katholieke Univ., Leuven, Belgium

Award Presentations

IEEE/ACM William J. McCalla ICCAD Best Paper Award

This award is given in memory of William J. McCalla for his contributions to ICCAD and his CAD technical work throughout his career.

Joint Design-Time and Post-Silicon Minimization of Parametric Yield Loss using Adjustable Robust Optimization

Murari Mani, Ashish K. Singh, Michael Orshansky - Univ. of Texas, Austin, TX

Session 1B.1, Monday, November 6, 2006 at 10:30 in the Oak Ballroom

IEEE Circuits and Systems Society 2006 Meritorious Service Award

Martin Hasler - Ecole Polytechnique Federale de Lausanne (EPFL), Lausanne, Switzerland

For devoted long-term service to the IEEE Circuits and Systems Society holding various key volunteer positions, from Transactions Editor-in-Chief and ISCAS Chair to Vice President - Technical Activities, and for the promotion of newly emerging technical subject areas in the Society.

2006 IEEE Emanuel R. Piore Award

Robert K. Brayton - Univ. of California, Berkeley, CA

For development of the field of logic synthesis from its early inception through industrial maturity.

ACM/SIGDA CADathlon Award

Awards will be presented to the winners of the Sunday programming contest.

Monday Keynote Address

An Industry in Transition: Opportunities and Challenges in Next-Generation Microprocessor Design

Phil Hester - Corporate Vice President and Chief Technology Officer, AMD, Austin, TX
